FLOWER-CHILDREN ARISE

The Monarch

Saint Leo College Saint Leo, Florida

Number 26 March 29, 1968

THE STUDENT NEWS MEDIUM AND THE ORGAN OF STUDENT OPINION

Kappa Theta Wins First

Kappa Theta won its first softball game by beating KAE 7-4. Timely hitting by Ron Chmura, John Romano, and Jim Savastano, and key defensive plays by Pete Biscardi proved to be the winning combination for KΘ. Bill Parks was the winning pitcher. On tuesday night at San Ann, KΘ won its second consecutive game by beating the brothers of EB. Bill Parks again was the winning pitcher displaying perfect control and coming through when the pressure was on.

The team will play its last game of the year against Phi Theta Chi, on Sunday, March 24, at 1: pm. A win over Big Red could open the doors for a first place tie with AEX. All the players are looking forward to Sunday and coaches Marty White and John Smeretsky are confident that defense could be the difference.

Final Issue

Number twenty-six marks the final issue of the MONARCH for the 1967-68 school year.

Thanks are extended to the members of the Saint Leo community who have contributed to the efforts of the staff this year.

Tour Europe - Receive Credit In May Session

A course in Comparitive Government (Pol 323) for the May session is being taught abroad.

During the 21 days of may, students can have the opportunity to travel in Europe. Portugal, Spain, France, Great Britain, Ireland and Italy are on the agenda.

Travel will be from New York to Lisbon by air. then with a Eurail Pass by train from Lisbon to London via Madrice and Paris. From London to Dublin and return a British Rail pass returning to Lisbon via Rome on the Eurail Pass- and then back to New York.

The cost of the trip will be approxiamately $775 without personal spending.

Government centre, interviews with responsible government officials, visits to the Parliment, and hopefully and audience with Pope Paul will keep the students busy.

The course requirements are reading on all countries visited in area of government, course meeting each day, and a written essay about the tour or on government. Also a final examination will be written on the return air trip.

Professor Harry Gill will be available for any questions that might need answering.

Freedom

Carl Tagariello

Freedom to me is the natural right I have to express my self, both through speech and my mental capacity. It is the privilege to make decisions whenever I would like to make them. A privilege that does not have to be earned, but rather is given by God. Yet, this privilege cannot infringe on the right of others, for when it does it must be taken away. Life is never total freedom, nor can it ever be. Total freedom, I think, can only be attained when one is free from all reliance on society and physical boundries. St. Leo does not fulfill these two requirements, so see if rationality plus mental capacity can help you as college students to respect the rights of others. It may well help to develop you into mature adults.

Election EXTRA

SPOTLIGHT--- ELECTIONS

By Peter J DeLuca

Attention Class of '69

The time has come when all responsible seniors to-be should take time and consideration in electing the President of their class.

Let's examine the qualities that are needed to be a good President.

---A President that can unify the class is needed. It is obvious in past years the leaders of our class didn't display this attribute---thus leaving our class in mass chaos.

---A President is needed who can manage Club 67 so that it becomes a feasible operation.

---A President is needed who can oppose the decisions of the Administration when they serve as a road block to the class. But, this President must also be able to work hand-inhand with the administration.

---Through John R. Bienkowski, President of this year's senior class, I, Nicholas A. DiCerbo, have become cognizant of the problems of being President of a senior class and feel that through my relations wiht John I will be able to cope with them in the future should they arise.

Through my active participation in the Student Government Association as Parlimentarian, I feel that I have gained valuable experience in learning what people want and how they want it done.

My knowledge of the Senior Class Constitution and the Constitution of the Student Government Association will make it possible for me to work with both these documents so that they will be beneficial to us.

I have had an active interest in Club 67. Working wiht Mr. Bienkowski, I have seen this social endeavor become a reality with its opening to day. My knowledge of this structure's Consititution will make it easier for us to have the "Club" in working operation next September.

In knowing the needs and demands of you my fellow classmates I plead with you to realize our present class situation and elect a responsible individual to work in the position as president of the class.

My fellow students I realize and hope you realize that the qualities I've s-- stated are invested in me. Therefore when you arrive at the polls Monday--- April--- invest your trust in me with your vote.

Sincerely in the Class of '69,

Nicholas A. Dicerbo

With the passage of the new constitution, the structure of our S. G. A. will be greatly altered. The new constitution will also give the S. G. A. greater mobility and increased power. It is because of this last statement that I am writing.

I would like to urge all students to weigh their choices carefully and make our S. G. A. strong. I implore you not to make this the usual popularity contest, but rather vote for whom you believe is best for the job. Each and every student will have his (or her) say in who is our next president. This adds a new responsibility in that everyone must find out about all the candidates. You will be voting fro a number of different offices and people, so be sure that the person you vote for will do the job.

I realize that it's a bother to go over and vote, but if you don't vote then you can't complain and what would it be like to live here and not be able to complain. Drop your apathy and try doing something useful, who knows, you may even get some satisfaction out of it. These people work for you, they are really interested in this college and if you are not interested enough to vote then you shouldn't be here.

Well, I've said my piece and I hope it takes hold somewhere. I want it clearly understood that the S. G. A. did not put me up to this and if they had I probably would not have written it. These are all my views as I have seen things on this campus. I hope that with the new S. G. A. constitution things will change, and they can't get any worse. Think about it.

Vote For
David Preller
Junior Class President
— AND —
Bob Quinn
Junior Class Vice-Pres.

D. J. Harrington needs no introduction. Everyone who has been on this campus, even for a short time, knows him. He is the guy who never has enough time to talk because there is work to be done, and he has worked. Just examine his past accomplishments. He was voted Outstanding Freshman 1967, iniated the Teacher Survey here at St. Leo. Chairman of the Fact Finking Committee. He holds a seat on the Acedemic Committee and wrote the representative branch of the new constitution recently passed. He is a Board of Directors member of the Circle K International and an officer in the Knights of Columbus. These are only a few of D. J.'s assets, there are others.

It is D. J.'s objective that a new Student Government will build a better school and a better environment in which to live. Get the Clique out of S.G.A., Vote D. J. on Tuesday, April 2, 1968.

Round Robin Winners Phi Theta Chi

Last weekend Phi Theta Chi wrapped up softball season. Friday afternoon "The Big Red," defeated Kappa Alpha Sigma 12-7. Again Sunday afternoon Phi Theta Chi played Kappa Theta and was again victorious by a score of 8-1. Phi Theta Chi's winning can be attributed to Pete Longo's fine pitching, and the fine defensive abitity of Bob Birhiglia, John O'Hale, and Rich Mussman. Also the hitting ability of Bob Sully and Pete Longo was a great asset to the team. We would also like to say, we are hoping John Mc Carthy is looking forward to a brighter future in the batter's box.

Phi Theta Chi won the round robin competition this year by winning the final two softball games. We would like to congradulate all the brothers who worked hard in all competitive efforts.

Many brothers have also been informed that Nicky Bellezza has many new variations of the Mussman shuffle. Many of Nicky's steps can be said to have originated on the account of lakeside living and barely and hops.

We would also like to wish shark the best of luck in the future and congradulate him on his engagement.

The brothers of Phi Theta Chi would also like to send their deepest sympathies to Bruce Hendra, who's father died this past week.

BLOOD DRIVE SUCCESS

Harry G. Williams, Director of St. Anthony's Blood Bank, Thanks Saint Leo's students for their contributions to make the blood bank a success.

One-hundred and twenty-one gave to the worthy cause. Never had there been so many donars.

Phi Theta Chi accepted the responsibility of organizing the blood bank drive and also donated their own blood. Robert Birbiglia, President of Phi Theta Chi did an excellent job.

SECOND GRAND OPENING
SAINT LEO'S FIRST BEER TAVREN
NO MINORS ADMITTED

Impressive Week Sees 5-8 Results

Al Marsico

The Monarchs dropped a 6-0 decision to Duke U. last night capping an impressive week of baseball which found them victors in five out of eight games.

The opener of yesterday's day-night doubleheader with Rollins resulted in a 4-4 tie after 12 innings and the 7pm curfew.

Ben Macioco worked the first game letting up all four runs (only one of them earned) on 11 hits until he was taken out in the 10th for pinch-hitter Gary Bond. Eddie Czeck finished the game (which will not be rescheduled) by whiffing three and allowing three hits in the final two frames.

Leo's tallied eight hits and also registered only one earned run.

Ray Korn suffered his first defeat of the season against Duke last night and now stands 4-1. He allowed all six runs on nine hits with seven strikeouts and five bases on balls.

The Monarchs threatened only twice. Ernie Robinson in the second inning advanced to third on an error and was thrown out by catcher Jim Hysong on an attempted passed ball advance. Korn singled to lead off the third, Larry Sorenson forced him at second, Mark Monnerat and Fred Cambria were then issued free passes: but the rally died on a ground out and a flyout.

Phil Wilhelm pitched a fine five hitter for Duke and picked up 11 strikeouts en route to victory.

Maciocio and the Monarchs were beaten last Thurs. by a 9-5 count in the in the third game of the West Georgia series after clinching Wednesdays doubleheader.

The tall senior hurled only four and a third innings giving up seven hits and seven runs. Kevin Carlin and Dave Korczykowski finished up allowing a run each.

Fred Cambria registered 13 strikeouts in his 2-1 Fri. night triumph over West Georgia. He showed pin point control, picking up his second win in only one week. He also contributed offensively with an eighth inning base hit which led to the tying run.

Tennis 4-7
3 Games Left

The Monarch tennis squad plays host to Stetson U. tomorrow at 2pm.

The team record is 4-7 after last Saturday's defeat bt Applachian State U. 9-0. Applachian, from Boone, N.C. boasts a 42-2 record over a four year period.

The netmen meet Embry Riddle on Sunday in a make-up road game. Next week's opponents will be Stetson again and Jacksonville U. in away games to complete in 1968 season.

New Officers For Alpha Sigma Chi

ALPHA SIGMA CHI

We would like to take this time to announce the election of our new officers, with our confidence we congratulate:

John Cotter-President
Ron Howard-Vice President
Frank La Morte-Secretary
Eddie Oels-Treasurer
Hack Miller-Chairman of Committees
Jim Dangler-Sgt. at Arms

The new officers will preside over our next meeting, we also give our appriciation to the out going Senior officers, Tony Falzarano, Jack Lynch, Mike Milardo, Tom Kanach, John Stockamore for their leadership, patience and sincerity.

After four wins in the softball playoffs the Brown Tide took the Championship. Jack Lynch pitched three winning games and Eddie Oels took the win over Phi Theta Chi. Craig Bozza, Tony Falarano and John Cotter were the strength with the sticks.

We're all looking forward to our Senior banquet this Friday evening at the Hawaiian Village.

We would also like to give our thanks to the Student Body for their consistant co-operation with the cafeteria dress code. We only hope that this step toward student self-governing will be a beginning and that we can all keep up the good work.
